**“Click it or Ticket.”** The Governor’s Office of Highway Safety (GOHS) has awarded the Glendale Police Department a \$10,000.00 grant for seat belt and child restraint violations enforcement.

The “Click it or Ticket” Program focuses on seat belt and child restraint violations. Officers from the Glendale Police Department are partnering with GOHS to conduct enhanced enforcement of passenger restraint laws on City of Glendale roadways. This will be carried out during the Click It or Ticket effort taking place May 18th-31st and Child Passenger Safety Week taking place September 19th-26th. Glendale Police officers will be patrolling various parts of the city to ensure seat belts and child restraints are being used.

Please buckle up and drive safely!

**You can make a difference!** If you are interested in making a difference in your community, the city of Glendale supports two volunteer programs: the Glendale Community Volunteer Program and the Glendale Star Volunteer Program.

The goal of the Community Volunteer Program is to improve the quality of life for Glendale residents and volunteers through valuable public service projects. [Click here](#) for information on registering your group or yourself with the Community Volunteer Program.

The Glendale Star program encourages involvement in government through volunteerism.
